

Orator Wabubengo

FOUNDER | ORATOR | STRATEGIST

WHO IS Walubengo

BennyHinn Walubengo is a dynamic force in the world of oratory, strategy, and education. As an accomplished minister of the gospel, author, and speech trainer, he has carved a unique niche for himself, inspiring and empowering individuals across various spheres.

BennyHinn's academic journey at Daystar University, where he is currently pursuing International Relations and Diplomacy, has equipped him with a strong foundation in global affairs and strategic thinking. His passion for learning and personal growth is evident in his continuous pursuit of knowledge.

As an Author

Sprout

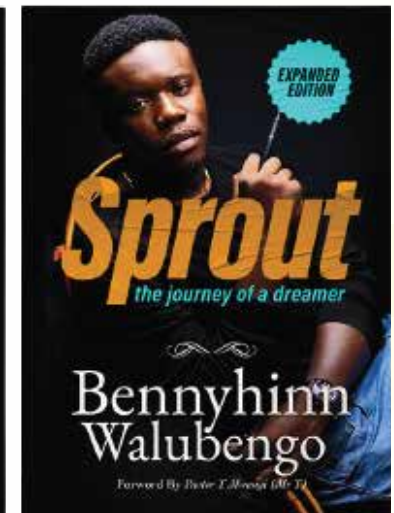

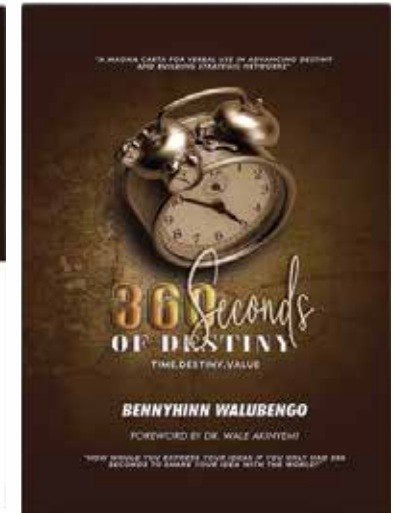

The book talks about the journey of every dreamer by addressing the 5 things that we cannot choose in life: Our parents, background, tribe, skin color and nationality. The book has sold more than thousands of copies in schools, churches and corporate spaces

360 Seconds of Destiny

The book gives you strategies on how to begin conversations, sustain relationships, earn opportunities and attain results through the power of relationships and communication.

Another Generation

The book gives you strategies on how to begin conversations, sustain relationships, earn opportunities and attain results through the power of relationships and communication.

The Seven Questions the World Will Ask

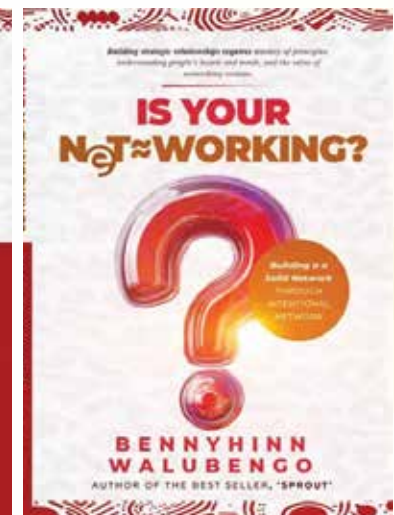

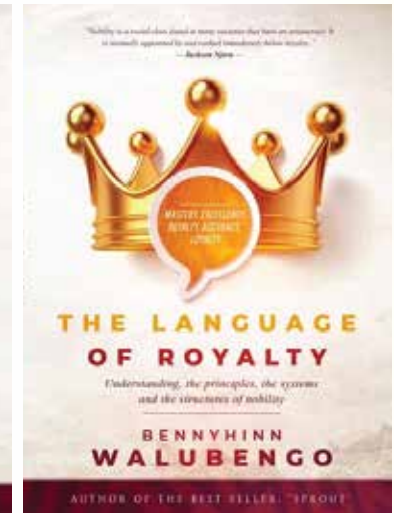

This book is an intriguing book that explores the importance of small details in communication. It emphasizes understanding your audience, recognizing different seasons in life, and demonstrating the ability to convey value through perspective, mindset and purpose.

The Language of Royalty

The book serves not only as a guide for redefining your engagement with strategic relationships but also for understanding the needs and fears of those individuals. This understanding enables you to connect with them on a deeper, more meaningful level, moving beyond simply user-friendly interactions.

Is Your Network Working

Networking is a powerful tool for anyone who aspires to build strategic relationships while also adding value, creating value, and being valuable.

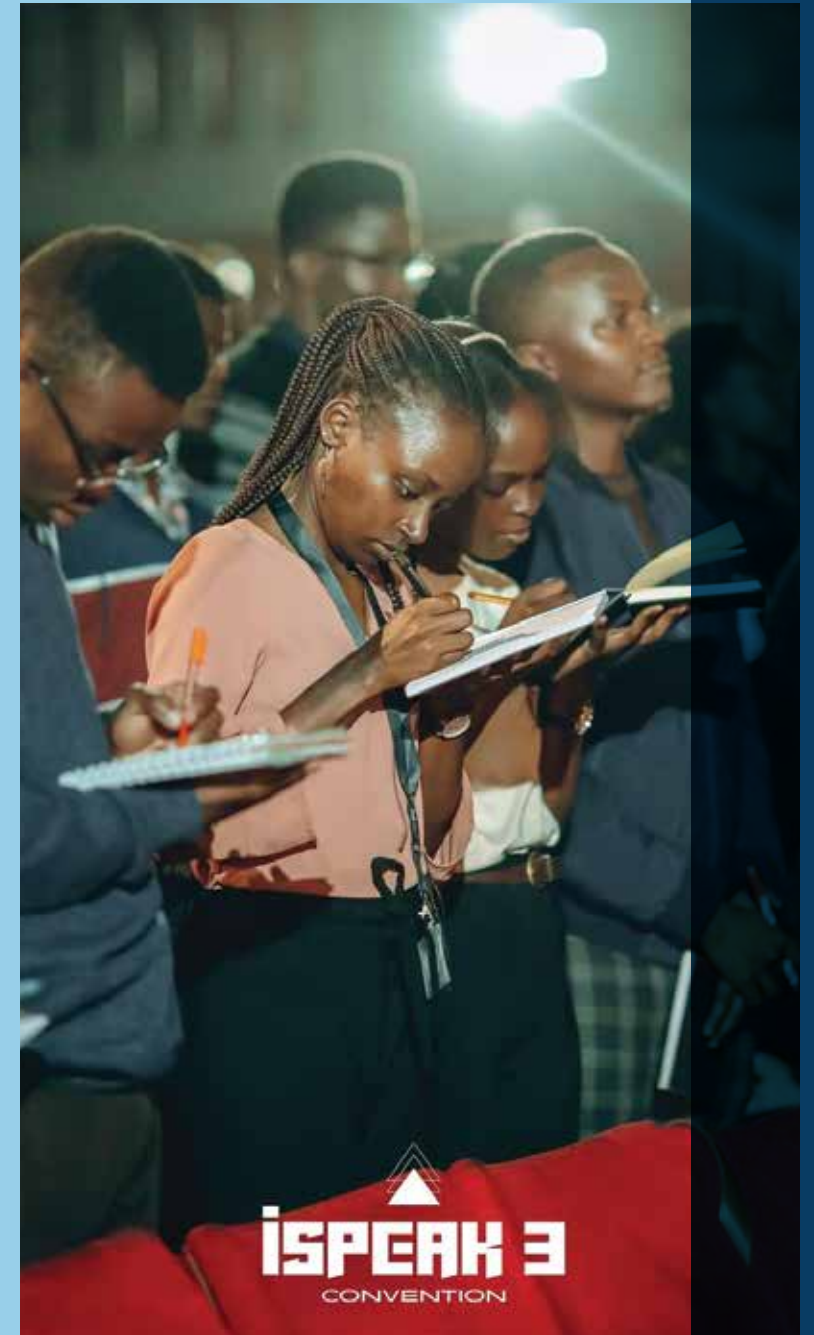

As a **Founder**

The iSpeak Society is a beacon of empowerment for youth in Africa, by equipping them with effective communication skills, iSpeak empowers them to advocate for themselves, their communities, and the continent's future.

Situated in Nairobi, Kenya, their impact resonates across the continent by embracing digital platforms and creative media to reach a wider African audience. Therefore opening doors for young voices to be heard across borders, fostering collaboration and knowledge sharing across the continent.

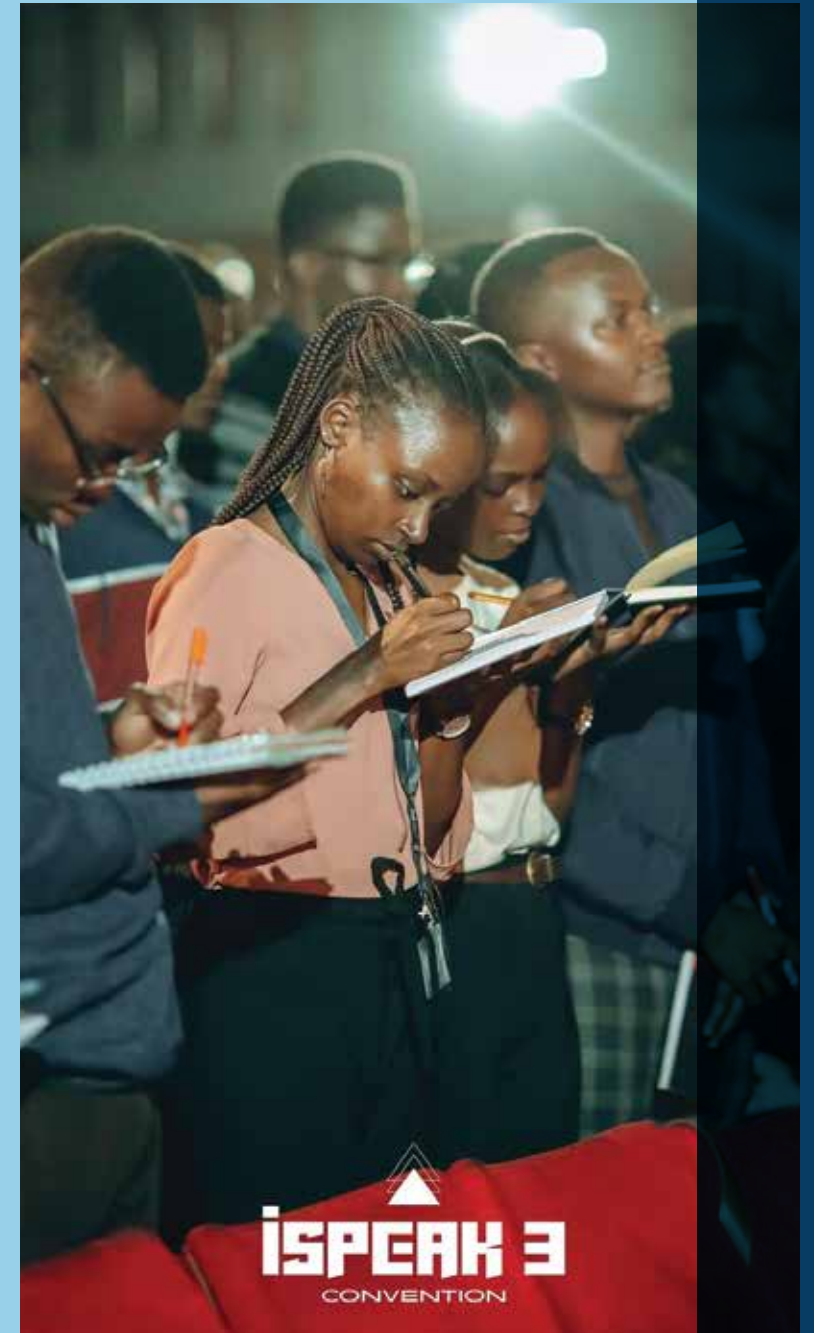

As a **Founder**

iSpeak Academy is a premier global platform dedicated to raising culture shapers through the power of public speaking, leadership, and mindset transformation. Rooted in the belief that words can shape societies, we equip individuals with the confidence, skill, and influence to drive meaningful change in their communities and beyond.

Our programs blend storytelling, identity formation, and cultural intelligence, empowering speakers to challenge narratives, inspire action, and lead with impact. With a global network of trainers, speakers, and thought leaders, iSpeak Academy is building a generation of voices that will redefine leadership, governance, and social transformation worldwide.
